Responsible Dog Ownership Day, September 17th, Calls Chicago Pet Owners to Action

Local Company, Doo Care, Supports Dog Ownership Pledge with Free Service

(Glen Ellyn, IL -September 13, 2006) – In honor of Responsible Dog Owner Day on September 17th, the American Kennel Club is inviting dog owners across the country to put their “paw print” on the Responsible Dog Owner Pet Promise. The 10-step oath is a reminder to both novice and veteran dog owners that raising a healthy dog is about more than just playtime and pampering. Training, grooming, a healthy yard environment and exercise are equally important.

Doo Care, a local dog waste management company is endorsing Responsible Dog Ownership Day and helping local dog owners uphold pledge number seven, to pick up and properly dispose of their dog’s waste. Doo Care helps dog owners maintain healthy yards by cleaning yards and disposing of the waste in an environmentally appropriate manner.

In honor of Responsible Dog Ownership Day, Doo Care will offer two weeks of free service when new customers mention the holiday and sign up from September 12th - September 26th for at least one month’s service. Dog owners can also visit the Doo Care web site, www.doocare.com, to sign the American Kennel Club Pet Promise and download the Pet Promise certificate.

Doo Care services are offered daily, weekly, one time, or for special events with no minimum service required. They also offer a free yard assessment to discuss an owner’s specific needs. The company offers discounts to senior citizens, foster dog caregivers and to vets and pet professionals.

Dog owners can learn more about Doo Care at the West Suburban Humane Society fundraiser, BarkaPALooza, on Sunday, September 24th from 10 am – 2 pm in Patriot Park.
